ARTIKELDETAILS

The alca maxx Cyclonic vacuum cleaner is a must have for all cars. With its powerful 12V 100W engine, it hoover the dirt effortlessly away. It can be used anywhere in the car, where a 12V cigarette lighter connection is available. With the accessory you have the possibility to hoover straight surfaces with the crevice nozzle in hidden corners. With the LED lamp the dirty area can be ideally illuminated. Practical: After use, the vacuum cleaner can be stored in the included nylon bag.

- powerful motor 106W/12V
- HEPA filter
- Cable with plug for cigarette lighter approx. 3m
- 2 additional nozzles (hard to reach areas, pet hair)
